**Please note the help files listed on this page to the right of the login fields. These contain valuable information in case of connection or login problems. The Kan-ed Desktop will open.

To access Atomic Learning, click on the Atomic Learning icon in the top of the middle column.

**Welcome! As a subscriber to Atomic Learning you have full access to our library of thousands of tutorials and other valuable educational resources.

We recently rolled out eight new tutorial series representing over 500 new tutorials. You will find the details under the What's New(s) tab. Of course, as always, these all come to you at no additional cost.

We are always interested in your feedback and suggestions. You will find our feedback form under the Support tab.

Access the video tutorials by choosing your operating system above.
